# How to use the hall lights

There is a remote control which looks like the below image, stored in the remote box in the Office:

Press the – and the lights will come on

Press **M** and the lights should flash, to speed up or slow the lights press **S-** or **S+**

To focus on a particular colour press the light coloured circle.

After use press **O** to turn off.

**Place the remote back in the office.**

**DO NOT LET CHILDREN PLAY WITH OR TOUCH THE REMOTE**
