No.	Item / Detail	Action
1.	The Chair welcomed everyone to the meeting.	
2.	<b>Declaration of Members' Interests</b>  Cllrs S. Bamford, R. Whyborn and N. Holden expressed an interest in the item on the Lakeside Community Project due to their involvement with the foodbank.	
3.	<b>Minutes of the last Full Council Meeting</b>  The minutes of the meeting held 7 <sup>th</sup> May 2024 had been circulated. There was one issue with the AGM minutes where the appointment of the Vice Chair had missed the word Vice. This was added to the master version and the uploaded website version will be amended. There were no other issues and the minutes were agreed by all present. The Chair signed and initialled the pages.	<b>Clerk</b>
4.	<b>Planning and Finance</b>  Standing Items: 1. Action Tracker, attached as Appendix A. This was reviewed to ensure all actions were on the agenda or ongoing. The cyber meeting is outstanding, and the bike marking extra session will not now go ahead due to difficulty agreeing a date.  i. Land at Broad Oak Way, the Clerk reported that the consultation ends on Friday. The Chair passed on thanks to Cllr Gutteridge for distributing a lot of the leaflets.

2. Planning Tracker, attached as Appendix B. All were minor works so no issues. Caernarvon Court was highlighted as it has now been approved. The PC made comments on the application and it is hoped that this will now resolve a lot of the issues at the site.

Cllr Holden raised concern about a house on Hatherley Road that remains unfinished. It was confirmed that once development starts there is no timelines on completing and nothing planning / enforcement can do unless there is a health and safety concern. It was concerning that the homeowner continued to park several vehicles in the shop car park opposite, but again there is little enforcement that can be done.

3. Finance

- i. 2023/24 Internal Audit Report

This is now complete and the documents have been submitted to the external auditor. The internal audit raised no issues, and the report has been circulated.

- ii. Internal Audit 2024/25

It was agreed that the Clerk will speak to GAPTC re carrying out the 2024/25 internal audit due to the time taken for the current auditor to complete the 2023/24 accounts. This will provide a more robust audit, although the cost is likely to be more. A letter of thanks will be sent to the previous auditor.

- iii. Q1 Report, attached as Appendix C

- iv. Payments List, attached as Appendix D.

- v. Contribution to Lakeside Community Project

The Chair informed members that the project was keen to support the holiday hunger scheme. In previous years both this PC and Leckhampton with Warden Hill PC have made a £1k donation. Cllr Wells asked how the foodbank looked out for allergies, and the Chair confirmed that when people join, they complete a form, and all food is also marked.

It was proposed by Cllr Worsley that a £1k donation be made as in previous years, and Cllr Gutteridge seconded. All were in agreement.

- vi. Village Hall Garden – purchase of water butts

The garden is looking great, and thanks were given to Cllr Gutteridge for his work maintaining. In order to water it was proposed by Cllr A. Bamford that 2 water butts be purchased and installed, (Cllr Houlton offered a free water butt although a lid would be needed). Cllr Wells seconded and all were in agreement. The Chair will liaise with Cllr Houlton, and source what else is needed. Costs are expected to be under £70 based on a quick internet search.

- vii. Community Pride Grant – purchase of memorial bench

The Clerk has circulated pictures of memorial benches and it was agreed that the

	<p>cheaper option was nicer and should be ordered, cost is under £500. The Clerk has applied to the borough council Community Pride Fund, so if successful this will help cover the cost and allow for additional seating to be purchased.</p> <p>The Chair asked members if an additional memorial plaque could be ordered and added to the existing Ben Platt bench in the garden. The plaque is to remember Iain Willox, who was a previous councillor, and his wife Edna who recently died. The Chair will look into costs.</p> <p style="padding-left: 40px;">viii. Financial regs update</p> <p>NALC have recently provided a comprehensive update to financial regs, these have been tweaked to our circumstances and circulated. All were in agreement they be adopted.</p> <p style="padding-left: 40px;">ix. Radiators update / quote</p> <p>Following fixing of the pipe leak it was identified that 3 radiators were not draining properly and needed replacing. A quote to replace of £1.4k has been received. It was discussed and the question raised as to whether this would be a good opportunity to replace all the radiators with more modern and efficient ones, thereby reducing costs and providing a better system. The Clerk will liaise with the plumber for an updated quote.</p>	<p style="text-align: right;"><b>Clerk</b></p> <p style="text-align: right;"><b>Chair</b></p> <p style="text-align: right;"><b>Clerk</b></p>
<p><b>5.</b></p>	<p><b>Community Engagement</b></p> <p style="padding-left: 40px;">1. Youth Work Update</p> <p>The Chair reported that the 6-week summer youth scheme at Brizen will go ahead, and the other element to youth work is dedicated detached youth work. This is a new contract and Leckhampton with Warden Hill PC are having 10-12 weeks of youth work and Up Hatherley will have 1 evening per week for 10 weeks. The feedback from Leckhampton is that it is going well, however nothing was heard for Up Hatherley. On 20<sup>th</sup> June the Chair received an email to say that the SLA was attached for the 12-week scheme, and the scheme was working well. The Chair responded asking for the details and why no communication had been received until near the end of the scheme. A report was promised; however, nothing has been received despite chasing. This is disappointing, and the Chair will update when more is heard.</p>	<p style="text-align: right;"><b>Chair</b></p>
<p><b>6.</b></p>	<p><b>Footpaths and Open Spaces</b></p> <p style="padding-left: 40px;">1. Open Spaces report</p> <p>Cllr Willcox informed the meeting that the walk took place and the Chair is going to follow up with an action map detailing all the issues for addressing. It was a positive meeting, and Cllr Willcox will set up another for September, with another walk covering a different area.</p> <p>Karen has sent an email about the Sunnyfield Lane roundabout and what our expectations are. Cllr Willcox will follow up with her, but generally it is agreed that it needs cutting raking and planting in the Spring.</p>	<p style="text-align: right;"><b>Cllr Willcox</b></p>

## Up Hatherley Parish Council: Minutes of the Parish Council Meeting

	<p>The Chair informed the meeting that the wild flowers in the Pocket park are very high.</p> <p>Cllr A. Bamford noted that a second cut has occurred in Broad Oak Way. He asked if the borough council had now acknowledged that they are responsible for ongoing maintenance, however the Clerk has not had anything back from them since sending across the legal document. The Clerk will chase, and will also forward an email received from Richard Gibson to Cllr A. Bamford on the need of the borough council to carry out a consultation following our consultation, which doesn't quite make sense considering we would be the community group purchasing the site.</p>	<b>Clerk</b>
<b>7.</b>	<p><b>Police and Community Safety</b></p> <p>1. Crime Report</p> <p>Cllr Ponting was not present but figures had been distributed and were shown on the screen. It was noted that there is little outcomes, which is concerning, however it is noted that we have a low rate of crime compared to other areas.</p>	
<b>8.</b>	<p><b>Highways and Transportation</b></p> <p>1. Sunnyfield Lane Pedestrian Crossing</p> <p>A firm estimate has now been received. Prior to construction three trial holes will be needed to ascertain depth of cables and other utility apparatus. The cost of this is £1,676.37 and will need to be paid regardless of what is found underneath and whether the footway can be constructed or not.</p> <p>The cost of construction including the dropped crossings on either side of the carriageway will be £11,483.69 and this cost will only be payable if the trail holes show that it is feasible.</p> <p>All agreed that this was a high cost, and it was suggested the PC look to Highways local money to fund.</p> <p>Cllr A. Bamford proposed that the PC fund the exploration work out of revenue resources during 2024/25, and then budget for a 50/50 shared cost with Highways Local money in 2025/26. Cllr Worsley seconded, there was one abstention, one against with the rest of the members present in favour.</p> <p>2. Highways Report</p> <p>Cllr Whyborn updated on the latest actions around the parish:</p> <ul style="list-style-type: none"> <li>• Flooding in Windermere Road, still unsuccessful, further action requested.</li> <li>• Caernarvon Road from Broad Oak Way to Caernarvon Court now definite.</li> <li>• Hatherley Road, scheduled for August.</li> </ul>	<b>Cllr Whyborn</b>
<b>9.</b>	<p><b>Village Hall</b></p> <p>Cllr Wells reported:</p>	

## Up Hatherley Parish Council: Minutes of the Parish Council Meeting

	<ul style="list-style-type: none"> <li>Dishwasher installed and old one disposed.</li> <li>Garden progressing</li> <li>Leak fixed</li> <li>Radiators to be confirmed</li> <li>Cllr Furley has purchased a box for the DVD player so this will be installed at some point.</li> </ul> <p>The Clerk informed members that we had a request for a free group to use the hall weekly for a 2 hour slot for men’s mental health. It was agreed that more information was needed and the person requested be invited to the September meeting in particular to determine what was the professional backing there was behind the group. Once this has occurred a decision will be taken.</p>	<b>Clerk</b>								
<b>10.</b>	<p><b>Communications</b></p> <p>Cllr Worsley informed the meeting that the Parish Record timeline had started. There will be a feature on the local postman and also the Hatherley Inn. Old and new pictures of Up Hatherley were requested and a photo of all Councillors will be needed which Cllr Whyborn suggested could be taken at the September meeting.</p>	<b>All</b>
